Teaching Good Decision Making Skills

Please join us on **Tuesday March 13, 2007, at 7pm** for a discussion with **Susan Belton Stone**. Susan is among the Bay Area's most recognized parenting authorities. Her audiences have included both parents and students at every level from nursery school through high school. She will be educating us on teaching our children good decision making skills. We will be meeting in the pre-school room K2. Please see the RSVP flyer in this week's Thursday envelope for more information and to let us know if you will attend so we can plan for the appropriate amount of space and child care individuals. **Child care is provided free of charge for children 4 and above.**

Earn Money For Capri While You Search The Web!

GoodSearch.com is a new Yahoo-powered search engine, with a unique social mission... every time you use GoodSearch, money is generated for Capri.

GoodSearch donates half its revenue, about a penny per search, to the charities selected by its users. The pennies quickly add up. For example, if 1,000 (our organization) supporters searched just twice a day, we would receive an estimated \$7,300 per year to help fund our program.

What's great is that you use GoodSearch just as you would any search engine. Again, it's powered by Yahoo!, so you get proven, high-quality results.

Just go to www.goodsearch.com and be sure to enter Capri as the charity you want to support.

The more people who use this site, the more money we'll earn so please spread the word!
