

**Introduction:**

**LEA:** Campbell Union School District **Contact (Name, Title, Email, Phone Number):** Corrine Frese, Principal, Cfrese@campbellusd.org, 408-976-4675 **LCAP Year:** 2016-2017

### ***Local Control and Accountability Plan and Annual Update Template***

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.*

*For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.*

## State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

### A. Conditions of Learning:

**Basic:** degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

**Implementation of State Standards:** implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

**Course access:** pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

**Expelled pupils (for county offices of education only):** coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

**Foster youth (for county offices of education only):** coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

### B. Pupil Outcomes:

**Pupil achievement:** performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

**Other pupil outcomes:** pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

### C. Engagement:

**Parental involvement:** efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

**Pupil engagement:** school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

**School climate:** pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

**Section 1: Stakeholder Engagement**

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

**Guiding Questions:**

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>At the District Level:                      There were multiple opportunities for stakeholder input during the 2015-2016 School year. Three district-wide LCAP meetings were held:                      January 12, 2016 (AM meeting): Attendance: 14 parents representing all sites, 9 district staff members (certificated and classified), 2 community based organization partners                      January 12, 2016 (PM meeting): Attendance: 8 parents from 5 schools, 1 CUSD board member, 6 district staff members(certificated and classified)</p>	<p>Comments/Feedback at the District Level:                      Stakeholders were asked to comment on all four goals of the LCAP. Below is listed the themes from each goal.                      GOAL 1: Parents wanted more support in learning how to support their child with Common Core learning in the home. As a result of this and as part of our strategic planning we created a goal of beginning a Parent University in the coming year to offer a variety of support opportunities for parents on how to support learning at home and specifically to learn more about Common Core</p>

January 19, 2016: Attendance: 5 parents representing 4 schools, 1 CUSD board member, 1 community based organization partner, 10 district staff members (certificated and classified)

The district held 5 Superintendent Advisory Committee meetings with at least one parent from each school site present. (9/23,11/18,2/33/30,5/18)

The district held 4 District English Language Advisory Committee meetings with at least one parent from each school site present. (10/20,12/15, 2/9 and 5/3)

A GATE Parent Advisory Committee was set up and met on February 25th. There were 25 parents in attendance.

Common Core Parent Math Support meetings were held on 11/2,11/5,11/16, and 11/17. These meetings were a direct result from previous LCAP feedback where parents input requested support in understanding the new standards. 300 parents attended from across the district.

At the Site Level:

At Blackford there were various opportunities for parents to give input on our school goals and priorities for the coming years. At our School Site Council meetings, PTA meetings and ELAC meetings, participants were presented with opportunities to give feedback in regards to ideas surrounding ways to improve our academic progress, our school climate, and our facilities and programs. Participants in these meetings were given opportunities to reflect on current practices and provide suggestions for enhancement and changes to better improve our practices in the upcoming year. Each stakeholder groups was able to see each others' ideas and reflect upon those as well.

Instruction. Staff feedback showed that teachers would like more time for assessments and professional development. As a result we have increased the professional development opportunities and offerings to support their needs and added in a staff survey to ensure that the training is meeting their needs. The district assessment calendar is being revised to cut down the amount of assessments and teachers and equity coaches will jointly create a new calendar to ensure that the purpose is clear for all assessments and that the results are used to guide instruction.

GOAL 2: Input from stakeholders led us rewrite this goal. It was "Measurements of Academic Indicators will show an increase of students meeting grade level standards by 3-5% each year." There was concern over the fact that academic success would only be judged on SBAC scores. To enhance the goal it was changed to "Multiple measures will be used to assess individual student academic growth achievement for all students." We created new metrics and actions and services to support this goal as are listed in the new LCAP.

GOAL 3: Input for this goal revolved around having a variety of support services to support students social-emotional development. Parents were happy to hear about the compressive school supports we already have in place but stated that more communication about this was needed. As a result more communication will go out to stakeholders in monthly newsletters. There was also a desire from parents to have more services available for our advanced learners. As a result of this there was a Parent Advisory Gate Committee formed which will continue as a action item in the 2016-2017 LCAP.

GOAL 4: A theme that emerged was the need for greater communication to parents on ways to stay engaged and feel invited to participate in their child's education. The LEA website will reflect this by being updated regularly with current information in multiple languages as well as a continued focus on multiple ways to communicate to parents. (flyers,automated phone calls, email, website updates, text messages) There was also a request for babysitting when parent meetings are being held. Funds will be allocated for this in the 2016-17 LCAP.

Comments/feedback received from Site Level:

Input from the community (staff, students, parents and community members) tended to provide input mostly on the Conditions of Learning and Engagement section of the LCAP. We used the input to help shape our LCAP submission for 2015-16. Data collection results identified Priority 5 (Pupil Engagement),

Each opportunity for parents to give input was prefaced with an overview of the purpose and content of the Local Control Accountability Plan (LCAP) and definition and role of the State Priority Areas. After the overview, attendees were given opportunities to ask questions. They then participated in providing feedback where each participant contributed comments/suggestions in four broad areas, all related to the 8 State Priorities.

The school principal participated in the input process at the bi-monthly district management meetings.

On March 9, 2016 the Blackford Staff participated in a process to give input on the progress towards this year's goals and on the development of goals and actions for the 2016-17 school year. After an overview of the LCAP and an opportunity to ask questions the staff broke into groups and did a gallery walk during which they gave input on the different priority areas as they relate to our site. On April 21, a focus groups of students met with the principal to share ideas that they have for improving Blackford School. For the student group the discussion was prefaced with a more general conversation about our need to continually improve ourselves as a school.

The influence of the stakeholder input opportunities was evident as our initial

Priority 2 (Common Core Implementation), and Priority 3 (Parent Involvement) as the top priorities. There were several suggestions rendered by the stakeholders in each of these areas. The suggestions which received multiple recommendations were identified and utilized to form our primary areas of focus in the Conditions of Learning section. Below are comments from the stakeholders for each of the top priorities.

Priority 5: Pupil Engagement

- Sowing Creativity for first and third grade
- Music and Arts in the classroom
- VillaMontalvo for second, fourth, and fifth grade
- Additional enrichment opportunities (e.g. Gifted Ed.)
- Health and Wellness education
- Additional Field Trips
- GATE
- Project-Based Learning

Priority 2: Common Core Implementation

- Community partnerships and internships
- Ed. Associates for below/accelerated students
- Gifted and Talented Education (GATE)
- Project-Based Learning
- Access to curriculum of various levels

Priority 3: Parent Involvement

- Parent education classes
- Parent leaders
- Community Room
- Community Liaison
- Increase health/wellness care
- Increased fundraising
- Nutritional education
- Parent English classes
- Coffee with the Superintendent

The overwhelming theme identified, was the need to ensure each student had

priorities shifted once we disaggregated the data collected from the numerous outreach sources. The top goals and priorities, Conditions of Learning, remained the same; however, the actions and metrics shifted to reflect the input from stakeholders. We anticipate additional changes as we proceed through the ongoing process of including stakeholders in the LCAP process.

The District maintained strict adherence to the statutory requirements for stakeholder engagement pursuant to the California Education Code. Timelines for community input gathering, public hearing notices, and identification of all required subgroups are reflected in the development of the Campbell Union School District LCAP process. The District will present LCAP updates related to improved outcomes for students to the Board each trimester annually. The notices of each LCAP board presentation will be available on the district website each fall, and an annual update will be presented to the board and public each spring.

access to an educational experience that supported, challenged, and excited the learner during the school experience. Attention to the “whole child” is evident as the comments reflect the academic, social-emotional, and physical health of our students. The need for equitable resources for all students was also prevalent in the ideas expressed by our community. This information will be reflected in the goals, metrics, actions, and expenditures associated with the Blackford School LCAP.

#### Additional Site Feedback:

- Blackford teachers will facilitate collaboration between general ed, special ed and ELs to support differentiation of instruction to meet needs of all learners.
- Blackford teachers will support music, enrichment classes (including GATE), field trips, and reading intervention.
- Blackford will continue to work with the district to provide on-site counseling services.

#### School climate

- Blackford will support Playworks and fields trips for 2016-17.
- Blackford will support field trips promoting STEAM
- Blackford will support assemblies supporting STEAM
- Full implementation of PBIS program at Tiers 1, 2, & 3.
- Intensified outreach into the neighborhood
- Project Cornerstone – Los Dichos & ABC Readers
- Other supplements to support CCSS:
- Adequate technology for every student
- Effective keyboarding skills and technology programs
- PD on implementation of new materials
- RtI team to address the needs of all struggling students in behavior and academics.
- PD and support of implementing more of the arts into our site

#### Community Feedback:

- Counseling services
- Parent Liaison
- More parenting classes
- More after-school low cost program options
- More Fundraising opportunities
- School based organized sports

Input from Site meetings included the following:

Staff meetings: Teacher input included:

- More resources for upper grade math instruction
- more art and music
- Nutrition/Health and Wellness Education
- More field trips and assemblies
- Playworks
- One laptop/ipad per student
- More educational associates
- An additional reading intervention teacher
- Lending library for parents

Parent meetings including PTA, the School Site Council, and ELAC

- Parent education classes
- Themed dinners by grade level
- Health/Wellness education
- Organized Sports/After school extracurricular activities
- After School Programs
- Art and Music classes for all grade levels
- Field trips
- PBIS classes for parents
- Playworks

Input from meetings led to financial backing of opportunities and programs that were outlined as a need from our various stakeholders.

**Annual Update:**

While updating the LCAP we also reviewed our actions steps up to this point and provided updates to our staff and parent groups.

**Annual Update:**

Revised goals to reflect what we will be doing this year which can be found in our LCAP.

## Section 2: Goals, Actions, Expenditures, and Progress Indicators

### Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

**Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.**

**Goal:** Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

**Related State and/or Local Priorities:** Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

**Identified Need:** Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

**Schools:** Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

**Applicable Pupil Subgroups:** Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

**Expected Annual Measurable Outcomes:** For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

**Action/Services:** For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

**Scope of Service:** Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

**Pupils to be served within identified scope of service:** For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

**Budgeted Expenditures:** For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

**Guiding Questions:**

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

## Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

### Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Expected Annual Measurable Outcomes:	By June 2016, all students will receive instruction from teachers who are appropriately assigned, using Common Core curriculum materials, in adequate, well-maintained facilities.	Actual Annual Measurable Outcomes:	98.5% of teachers in CUSD were appropriately assigned and students were taught in well-maintained facilities. All students received a cohesive Common Core aligned curriculum in Math. Students were taught the Common Core Standards in English Language Arts, however a cohesive ELA curriculum does not yet exist in the district. ELA Pilots are happening now and materials will be adopted by June 1st. All students will receive instruction using Common Core curriculum in the 2016-2017 school year.

<p>What changes in actions,</p>		<p>Overall we are going to group our actions/services into larger main objectives. It was hard to have any flexibility with the plan</p>	

services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?

when we added such specific items and then it was difficult to track the minor expenses associated with the actions. In our 2016-17 plan we will have actions and services that pertain to the bigger themes of the work we are doing in the district to support Goal 1. Goals and Services will pertain to the following four elements: curriculum adoption, staffing to support high quality Common Core implementation, Classroom technology integration and professional development. We will outline what support services support our goal under these larger headings. We were overly specific in our first writing of the LCAP and realized that some of the services and actions actually crossed into multiple goals. We are cleaning this up with the new plan. In addition we have more specifically outlined our Expected Annual Measurable Outcomes in the 2016-17 plan.

To support goal 1 we will continue to fund intervention teachers, Equity Coaches and ELD Champions to offer small group or one on one support for targeted students needing intervention. The support staff such as Equity Coaches and district TOSA's also offer extensive support to our teaching staff to ensure that they are able to receive the training necessary to effectively teach the Common Core and NGSS Standards. We will continue with our piloting procedures to fully adopt an NGSS and Math program and then work in PLC groups to effectively identify essential learning standards. (The PLC process and the funding necessary to support it is outlined in Goal 2 action and services) The collaboration that is mentioned in this goal is also something that we are moving to Goal two and will continue to support as this is a strategy for ensuring that all students make progress towards attainment of the standards.

Additional funding will be allocated to ensure that we have 21st Century classrooms. Actions and Services pertaining to technology were added to the new LCAP goals with the overall goal of getting us to 1:1 device/child ratio for grades 1-8 by the year 2018.

Expected Annual Measurable Outcomes:	By June 2016, the number of students scoring at or above grade level on the SBAC summative assessment will increase at least 3-5 percentage points for all significant subgroups as compared to June 2015 baseline data.	Actual Annual Measurable Outcomes:	The full results of this goal cannot be assessed until the SBAC data comes in for this year. iReady was administered each trimester and assessment results were evaluated in grade level teams to determine how students are progressing towards ELA and Math standards. iReady assessment graphs showing grade level growth from window 1 through window 3 are added as attachments to the LCAP. These graphs demonstrate growth and align to our creation a new goal that focuses on multiple measures to assess individual student achievement.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?			We will be changing the district overall goal in this section to the following: Multiple measures will be used to assess individual student growth in all areas for all sub-groups. This change is being made because of stakeholder input that focusing on a 3-5% growth measure on the SBAC does not give a full picture of student learning and doesn't allow us to look at meeting our targets until the end of the year SBAC results are published. The planned actions/services have been changed slightly to align to the growth goals and expected outcomes. We also took time to look at our expected outcomes to ensure they are effective measurements of learning

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>Since the LCAP is a financial plan of how we spent our money we are eliminating actions and services from the plan that do not have a cost. Those actions will still continue to support the goal but in trying to make the LCAP a more manageable document to share with stakeholders we received feedback that only items with costs associated need be in the plan. We will also be eliminating the annual measurable outcome that states that we will increase parent engagement by 10% each year and replace that with "parent engagement opportunities will expand annually and enrollment will be tracked to monitor engagement/participation levels."</p>		

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

**Section 3: Use of Supplemental and Concentration Grant funds and Proportionality**

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$711,573</u>
<p>The Campbell Union School District is under the 55% unduplicated count districtwide. In the 2016-2017 school year, Campbell Union School District will spend its LCFF Supplemental and Concentration (S/C) funds on actions and services principally directed toward unduplicated student groups. (English Learners, low income, and foster youth). The funds will be expended in both districtwide initiative and site allocations beyond the LCFF base to support academic and social needs of the unduplicated pupils.</p> <p>1.) District-wide initiatives that support the educational needs of unduplicated pupils:</p> <ul style="list-style-type: none"> <li>• English Language Learner (ELD) Champions: Year 2</li> <li>• ELD/ELA Framework Training for staff</li> <li>• Saturday tutorial program for designated English language learners</li> <li>• Utilize bilingual aides to support students in their home language</li> <li>• Provide support at each school site that will include Teachers on Special Assignment (TOSA's) in literacy, math and STEAM instruction</li> <li>• Provide bilingual community liaisons at schools with high concentration of unduplicated pupils</li> <li>• Provide additional reading intervention support by hiring a Reading Intervention teacher at each site</li> <li>• Hire an Equity Coach (TOSA) for each school site to provide additional coaching and professional development</li> <li>• Support parents and guardians through the use of bilingual Community Liaisons, offering parent classes to understand new standards, assessment and use of technology in the classrooms</li> <li>• Offer an academic 4-week summer program only for unduplicated pupils</li> <li>• Hire an Administrator on Special Assignment to monitor, plan and implement special programs for unduplicated pupils</li> <li>• Purchase additional intervention curriculum to support struggling learners in before or after school setting.</li> <li>• Plan and implement a parent education university to encourage stronger home/school connections.</li> </ul> <p>Justification for the Expenditure of these funds:                      The Campbell Union School District has determined that these S/C funds will be spent in this way in response to stakeholder input, an analysis of current data, and current research that support the advantages of extending learning time for academic material as well as the support of home language communication with families and the impact of coaching on professional practice.</p>	

The use of district TOSA's and Coaches to work directly with teachers in their classrooms:

- Models effective teaching practices and differentiation to better meet the needs of all learners
- Offers opportunities for coaching for teachers to improve their delivery for special groups of learners
- Professional Learning Community (PLC) Work
- Using student achievement data to support instructional decision making
- Providing effective intervention programs above and beyond for unduplicated pupils

Description of how these service are the most effect use of funds to meet district goals:

- The Campbell Union School District determined that these service would be the most effective in meeting our LCAP goals based on research supporting the use of PLC's as an effective school improvement strategy and stakeholder input.
- We considered not having the Equity Coaches full time at the sites but it was determined that their support of teachers, especially new teachers, was imperative.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

19.10	%
-------	---

The services in the LCAP demonstrate a 19.10 increase or improvement in services for unduplicated students as compared to the services provided to all pupils in the 2015-16 school year. The increase in services is reflected in this summary.

In 2015-2016, the expenditure of LCFF Supplemental/Concentration funds for additional personnel, materials or services targeted primarily to unduplicated pupils, as detailed in Section 2 provides services above and beyond those provided for all students.

The base program for each student in the district consists of 6 hours of daily instruction from a highly qualified teacher. All students receive two hours of ELA Instruction, and 60-90 minutes of math instruction. English Learners receive 30 minutes daily ELD instruction.

The LCFF S/C funds will be spent to provide increased services for our district's unduplicated pupils as outlined in the plan. Specifically mentioned are the above and beyond

funding consists of:

- Creation of a position entitled Equity Administrator on Special Assignment to ensure that the funding allocated for unduplicated pupils actually gets spent on them. This person will help spread the equity work across the district and support other Administrators to plan and deliver programs that target unduplicated pupils.
- Funding for additional School Counselors
- Funding a second Campus supervisor at CMS to support the high number of unduplicated pupils
- Outreach to parents of unduplicated pupils to help them be more connected to their child's education will be more effective with the Community Liaisons that provide additional hours at sites with high concentration of unduplicated pupils
- Creation of a Saturday intervention program
- Summer school targeting only undocumented pupils needing intervention support
- ELD Champions that provide professional development and modeling of lessons in classrooms
- Specialized training in Differentiation for educators
- Learning Circle (training) around the English Language Framework for teachers with large numbers of EL students
- Reading Interventions Specialists at all school sites
- Before and after school intervention programs
- Orton Gillingham Reading intervention training for targeted educators
- Purchase of supplemental curriculum( Souday Systems program to support dyslexic students and those struggling with learning to read), On the Record Intervention materials, Zearn, Reflex Math
- School links service coordinator: (grant funded)
- AVID program
- Cost of translations of district communications

**LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX**

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
