School Description

Sherman Oaks Community Charter School, with its Spanish dual language immersion program, educates over 500 students in English and Spanish from preschool through 6th grade. Our school has a rich history of academic excellence and cultural responsiveness that is the result of the hard work and dedication of our staff, and of the partnership with the parents who provide a diversity of experiences for our students. Our dedicated staff focus on creating successful bilingual and biliterate leaders for the 21st century workplace.

Mission

Creating successful bilingual and bi-literate leaders is a shared goal among the team at Sherman Oaks. Our collaborative work environment will reward us with respectful critical thinkers who are empowered and knowledgeable leaders who take pride in their accomplishments.

Types of Services Funded

District funding through the Local Control Funding Formula(LCFF) includes a Base Grant, a Supplemental allocation, and a Concentration allocation. The Base Grant funds the services that we provide to all students, such as regular classroom teachers, custodians, office staffs, electricity and most of the basic operational cost. The Supplemental and Concentration allocations support targeted services to students who are designated as Low Income, English Learners, Special Education, and/or Foster Youth. State and federal funding also supports the following special programs. • Title I, Part A Basic Grant • Title II, Part A Improving Teacher Quality • Title III, Part A Limited English Proficiency (LEP) • State Preschool • State Child Care • Federal Free/Reduced meals

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	3	3

Professional Development provided for Teachers:

Campbell Union School District's work year calendar allocated two full days for Professional Development in the 2017-18 school year, three in the 2018-19 and three in the 2019-20 school year. The District provides professional development for all credentialed and non-credentialed staff.

The primary areas of focus for our staff development in all CUSD schools is training to support our Local Control and Accountability Plan (LCAP) and the Instructional Vision for the district. Carefully examining student data takes place at regularly scheduled collaboration meetings where teachers discuss specific learning needs and develop intervention plans for targeted students. Professional Development is also offered aligned to our Profile of a Graduate Competencies and 21st Century Learning strategies. Teachers collaborate in professional learning communities to examine data and learn from one another in job-embedded professional development.

We use a variety of delivery models for professional development, including release days to attend trainings or conferences, stipends to do professional development on a weekend or during the summer, on-line learning with guided facilitation with district staff members, and after school sessions throughout the entire school year. We take into consideration staff requests for both content and timing of the professional development. Teachers also can participate in online learning by using our School of Rock learning platform that provides professional development aligned to our LCAP goals in a game-based setting that allows teachers to learn at their own pace and select topics of interest to them. We offer teachers extensive coaching opportunities in our district, both through our site Equity TOSAs (teachers on special assignment) and through our district TOSAs. Collaboration time is also planned at each school site, so that teachers and administrators can do the work of a professional learning community. Administrators conduct regular classroom visitations to offer support and feedback for teachers so that they can continually improve their practice.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Quality and Currency of Textbooks and Other Instructional Materials

District Curriculum committees select the majority of textbooks and other instructional materials with representatives from every school and grade level. Purchase of textbooks follows the State adoption cycle.

Note: The schedule for piloting science and social studies curriculum will be determined in the 2018-19 school year. Assembly Bill X4 2 (Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials, including framework revisions, until the 2013-14 school year. Senate Bill 70 (Chapter 7 of the Statutes of 2011) extended that suspension until the 2015-16 school year. For more information go to the California Department of Education website at <http://www.cde.ca.gov/ci/>

School Facility Conditions and Planned Improvements (Most Recent Year)

Sherman Oaks, originally constructed in 1996, has 24 classrooms (including portables), one staff lounge, an outside amphitheater, three playgrounds, and a shared community center. Recent improvements include a new multi-use/cafeteria building, all new play structures, outdoor eating area, ceiling-mounted projectors in all classrooms, painting, landscape improvements and new outdoor drinking fountains. In 2015, three new classrooms, two restrooms, and a preschool room were added along with a major renovation to the two Campbell Care classrooms. In 2016 a new Library and new after school classrooms were added.

Cleaning Process:

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. Administrators work daily with the school’s custodial staff to develop cleaning schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A preventative maintenance program is administered by the Facility Maintenance Department staff, with heavy maintenance functions occurring during vacation periods. Additionally, Campbell Union School District administers a scheduled landscape and building maintenance program to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

ELA	40	39	55	57	50	50
Math	38	35	49	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are actively involved at Sherman Oaks Community Charter School in many ways.

- They serve on the traditional committees of School Site Council and the English Learner Advisory Committee (ELAC).
- Parents also assist teachers and students in the classroom. For those parents who are unable to assist the teachers during the school day, opportunities are provided to assist from home.
- There is an active group of parents who belong to the Parent-Teacher Committee (PTC), and they are always looking for volunteers. This group supports our school with fundraising, event planning, student council, yearbook, and a variety of community events.
- A Parent Volunteer Coordinator tries to match volunteer parents with the tasks they most enjoy. Parents help as Los Dichos/Project Cornerstone classroom readers and/or assist in the library, the office, on the playground and with after-school play practice. Some help prepare the Thursday envelopes, while others enjoy organizing and participating in community events such as cultural celebrations, movie nights, or parent education nights.

There are many opportunities for parents and community members to be involved at the district level through participation in such committees as the District English Language Advisory Committee, Bond Oversight Committee, Superintendent's advisory committees, Wellness Committee, and others. We welcome public participation in Governing Board meetings and conduct several district-wide meetings and online ThoughtExchange.com forums each year to elicit parent, student, staff and community input as we develop our annual Local Control and Accountability Plan (LCAP). We collaborate with local community based groups to enhance services and supports to our students and their families.

Schools have the support of a Community Liaison who coordinates school and community based support services, so that students can have access to medical, dental, vision and mental health care. The Community Liaisons also schedule educational workshops for parents on a variety of topics, including positive discipline, computer literacy, how to support student education at home, college classes, cyber safety and much more.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Safety plan was updated and approved October 15, 2019 and reviewed with staff on October 30, 2019.

The Comprehensive School Safety Plan is developed and reviewed with participation from staff, the school site council and local law enforcement representatives at the beginning of every school year. The plan includes information about our strategies and programs that provide and maintain a high level of school safety, including, but not limited to: ICS- Incident Command system for schools during a crisis, including adaptations for pupils with disabilities; Earthquake, Fire and Lockdown emergency procedures and drills; Procedures for safe ingress and egress of pupils, parents, and employees from school site, including access to the school campus; Suspension and Expulsion policies and procedures; policy prohibiting discrimination, harassment, hate crimes, intimidation, and bullying; Child Abuse Reporting procedures; and School Discipline policies and procedures.
