School Description

Marshall Lane Elementary School, located in Saratoga, educates approximately 500 students from Saratoga, Los Gatos, Monte Sereno, Campbell, and San Jose in preschool through fifth grade. We emphasize academic achievement within a nurturing environment. Our success is attributed to a dedicated and hard working staff, a well-rounded challenging curriculum, active parental involvement, and a community devoted to supporting education. Our school has earned several awards over the past few years, including both the National Blue Ribbon Award and the California Distinguished School Award. In addition, Marshall Lane was awarded the prestigious Caring School Climate Award for the 2014-2015 school year from Project Cornerstone. In the 2018-2019 school year, Marshall Lane was awarded the PBIS Bronze Award for our implementation of the Positive Behavior and Intervention System (PBIS).

We are very proud of our school and the recognition that we have received.

Marshall Lane's Vision Statement

Marshall Lane will be a school where educators and parents collaborate to provide a rigorous and meaningful educational experience for all students in a supportive school environment.

Marshall Lane's Mission Statement

Marshall Lane is a community that is committed to inspiring and empowering life-long learners who possess the mindset and skills necessary to thrive in a changing world.

Marshall Lane's Core Values

- Effective Communication
- Safe Learning Environment
- Collaboration, Collegiality and Relationships
- Educating the Whole Child

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Quality and Currency of Textbooks and Other Instructional Materials District Curriculum committees select the majority of textbooks and other instructional materials with representatives from every school and grade level. Purchase of textbooks follows the State adoption cycle. Note: The schedule for piloting science curriculum for elementary grades and social studies curriculum for middle schools will be determined in the 2021-22 school year. For more information, contact the district's Instructional Services Department or go to the California Department of Education website at <http://www.cde.ca.gov/ci/>

School Facility Conditions and Planned Improvements (Most Recent Year)

Marshall Lane School, originally constructed in 1961, is comprised of 22 classrooms (including portables), a Knowledge Center/Library, a computer lab, a staff lounge, a cafeteria/multipurpose room, three playgrounds, an outdoor learning center/garden, a preschool, and a new Campbell Care facility for before and after school care. Recent campus improvements include solar photovoltaic installation and a campus-wide renovation. The renovation, which was completed during the 2018-2019 school year included replacing all of the underground utilities (sewer, water, and gas) and placing electric lines underground. Sidewalks throughout the campus were replaced and many seat walls were added. A new community gathering and covered waiting area was added in the front of the campus. Landscaping was redone in many areas of the campus. In addition, a covered eating area and outdoor gathering spaces within the campus were added.

Cleaning Process:

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. Administrators work daily with the school's custodial staff to develop cleaning schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A preventative maintenance program is administered by the Facility Maintenance Department staff, with heavy maintenance functions occurring during vacation periods. Additionally, Campbell Union School District administers a scheduled landscape and building maintenance program to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	81	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Ample opportunities exist at Marshall Lane for parents to be involved in their child's education: working on campus in their child's classroom, assisting in the library, helping in the technology lab, teaching art lessons, serving as a Project Cornerstone reader, or doing playground supervision at lunchtime. In addition, parents serve on the Marshall Lane Parent Teacher Association (PTA) to provide funds to enhance the educational growth of all of our children by supporting vital school programs, sponsoring school events, planning and funding assemblies, and supporting classroom supply purchases. Contact the Marshall Lane PTA through their website at <http://www.marshalllanepa.org/marshall/index.jsp> or the school office at (408) 354-4259 for detailed information about parent involvement opportunities at Marshall Lane Elementary School.

At Marshall Lane, we emphasize the development of the whole child and academic achievement within a nurturing environment. Our success is attributed to a highly qualified and dedicated staff, a well-rounded, challenging curriculum that is aligned with the new Common Core State Standards, active parental involvement, and a strong community that is devoted to supporting our students. The partnership between home and school is responsible for the success of our students. The parents and families work in conjunction with the staff to ensure we are supporting individual students to their highest potential. This effort requires high levels of collaboration and communication in support of all Marshall Lane students.

There are many opportunities for parents and community members to be involved at the district level through participation in such committees as the District English Language Advisory Committee, Superintendent's advisory committees, Wellness Committee, and others. We welcome public participation in Governing Board meetings and conduct several district-wide meetings and online ThoughtExchange.com forums each year to elicit parent, student, staff and community input as we develop our annual Local Control and Accountability Plan (LCAP). We collaborate with local community based groups to enhance services and support for our students and their families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety plan was updated, approved and reviewed with staff on October 14, 2020.

The Comprehensive School Safety Plan is developed and reviewed with participation from staff, the school site council and local law enforcement representatives at the beginning of every school year. The plan includes information about our strategies and programs that provide and maintain a high level of school safety, including, but not limited to: ICS- Incident Command system for schools during a crisis, including adaptations for pupils with disabilities; Earthquake, Fire and Lockdown emergency procedures and drills; Procedures for safe ingress and egress of pupils, parents, and employees from school site, including access to the school campus; Suspension and Expulsion policies and procedures; policy prohibiting discrimination, harassment, hate crimes, intimidation, and bullying; Child Abuse Reporting procedures; and School Discipline policies and procedures.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.0	0.4	1.8	2.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.01	
Expulsions	0.00	0.00	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	2

Professional Development provided for Teachers:

Campbell Union School District's work year calendar allocated three full days for Professional Development in the 2018-19 school year, three in the 2019-20 school year, and two in 2020-21. The District provides professional development for all credentialed and non-credentialed staff.

The primary areas of focus for our staff development in all CUSD schools is training to support our Local Control and Accountability Plan (LCAP) and the Instructional Vision for the district. Carefully examining student data takes place at regularly scheduled collaboration meetings where teachers discuss specific learning needs and develop intervention plans for targeted students. Professional Development is also offered aligned to our Profile of a Graduate Competencies and 21st Century Learning strategies. Teachers collaborate in professional learning communities to examine data and learn from one another in job-embedded professional development.

We use a variety of delivery models for professional development, including release days to attend trainings or conferences, stipends to do professional development on a weekend or during the summer, on-line learning with guided facilitation with district staff members, and after school sessions throughout the entire school year. We take into consideration staff requests for both content and timing of the professional development. Teachers also can participate in online learning by using our School of Rock learning platform that provides professional development aligned to our LCAP goals in a game-based setting that allows teachers to learn at their own pace and select topics of interest to them. We offer teachers extensive coaching opportunities in our district, both through our site Equity TOSAs (teachers on special assignment) and through our district TOSAs. Collaboration time is also planned at each school site, so that teachers and administrators can do the work of a professional learning community. Administrators conduct regular classroom visitations to offer support and feedback for teachers so that they can continually improve their practice.

Types of Services Funded

District funding through the Local Control Funding Formula(LCFF) includes a Base Grant, a Supplemental allocation, and a Concentration allocation. The Base Grant funds the services that we provide to all students, such as regular classroom teachers, custodians, office staffs, electricity and most of the basic operational cost. The Supplemental and Concentration allocations support targeted services to students who are designated as Low Income, English Learners, Special Education, and/or Foster Youth. State and federal funding also supports the following special programs. • Title I, Part A Basic Grant • Title II, Part A Improving Teacher Quality • Title III, Part A Limited English Proficiency (LEP) • State Preschool • State Child Care • Federal Free/Reduced meals

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
