

# Transformation Team Meeting Notes

## Transforming Campbell Middle into a TK-8 school

*For the meetings of February 2 and March 1, 2017*

---

### **February 2, 2017**

1. The Role of the Transformation Team is to craft a comprehensive plan to present to the Governing Board by June 9, 2017.
2. The Team will consider the educational needs of our diverse student population.
3. The Team will create a dynamic learning environment for all students in CUSD.
4. Guiding principles will be developed to facilitate making decisions.
5. The Team drives the work, the creativity, and recommends plan elements to the District Leadership team who then makes the recommendations to the Board.
6. The Team will convene community meetings (TBD) throughout the process.

### **March 1, 2017**

1. A model transition plan has not been decided. This topic will be revisited at the next Transition Team meeting.
2. Please promote the Community Input Forum happening March 23rd. Emphasize that the purpose is to seek input and provide for stakeholder voice, but not to provide answers at this time.
3. A decision was made that there will be a new boundary created and that 50% of the school seats will be for the neighborhood boundary community, with priority being given to this community.
4. Architects were secured and attended for part of the meeting to collect information and data
5. The group will refer to the new school as "District Preschool- 8 Program."
